lululutaupe.com

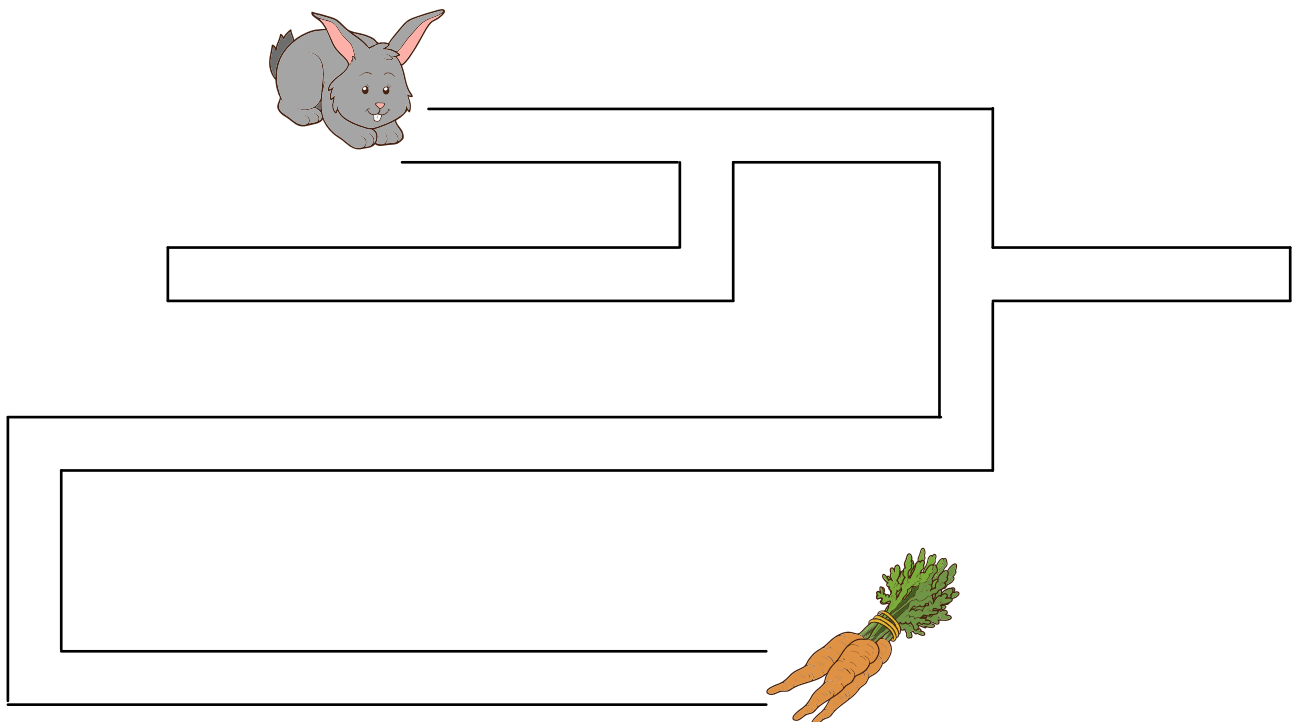

Entoure les mains, les pieds, la bouche, le nez, les oreilles et les yeux de la petite fille.

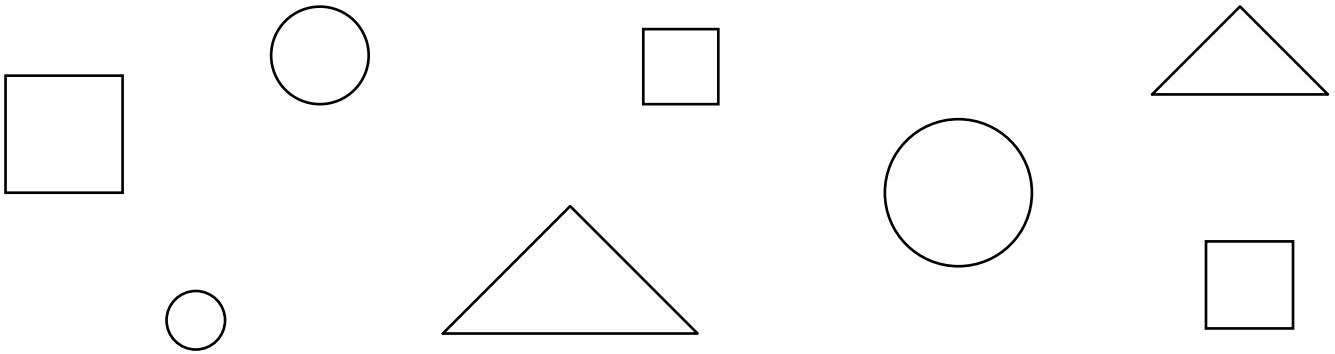

INITIATION AUX MATHÉMATIQUES

Orientation

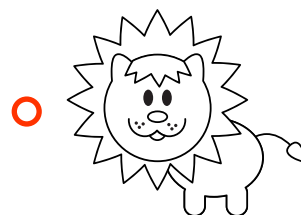

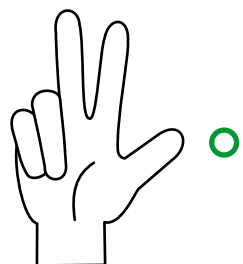

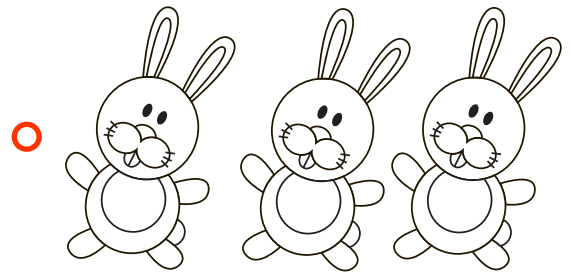

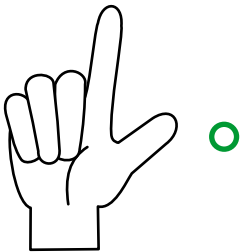

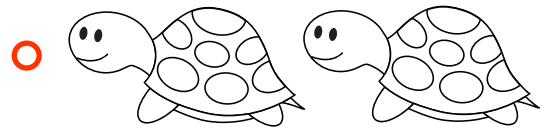

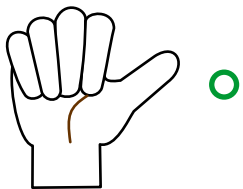

Suis le parcours du lapin avec ton doigt puis avec un crayon.

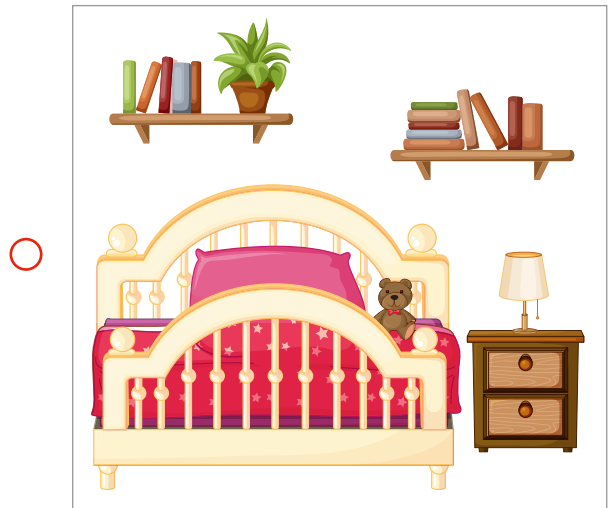

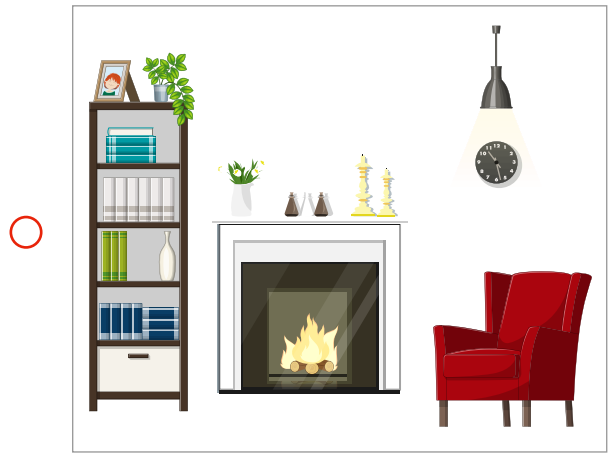

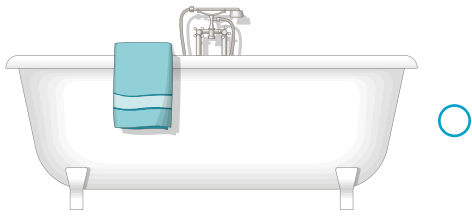

Colorie tous les carrés en jaune.

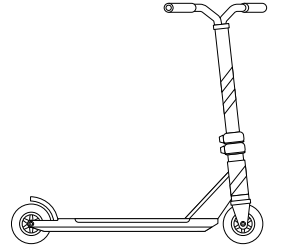

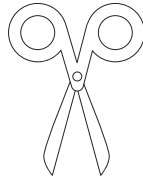

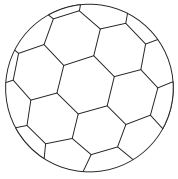

Relie chaque main au nombre d'animaux correspondant.

Nomme les pièces de la maison. Relie chaque élément à la pièce qui correspond.

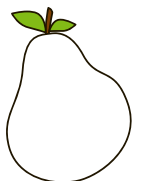

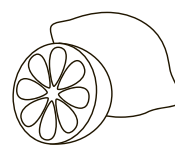

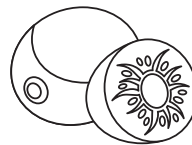

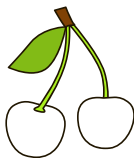

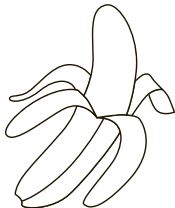

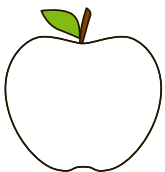

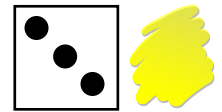

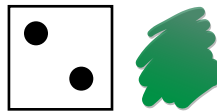

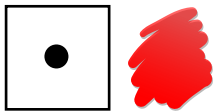

Colorie les objets qui roulent.

MATHS

Dénombrer une quantité

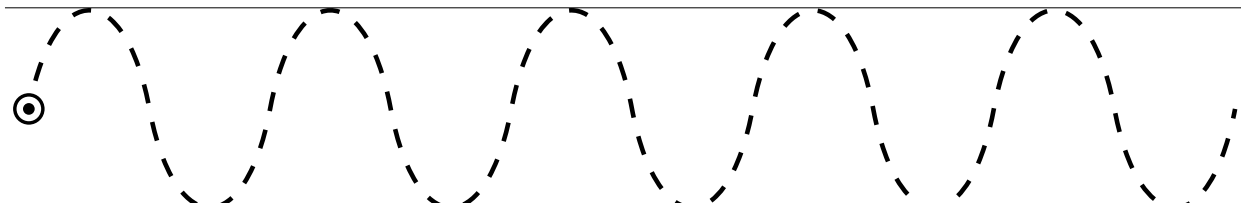

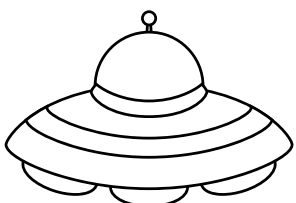

Connais-tu le nom de chaque fruit ? Colorie-les en suivant le code.

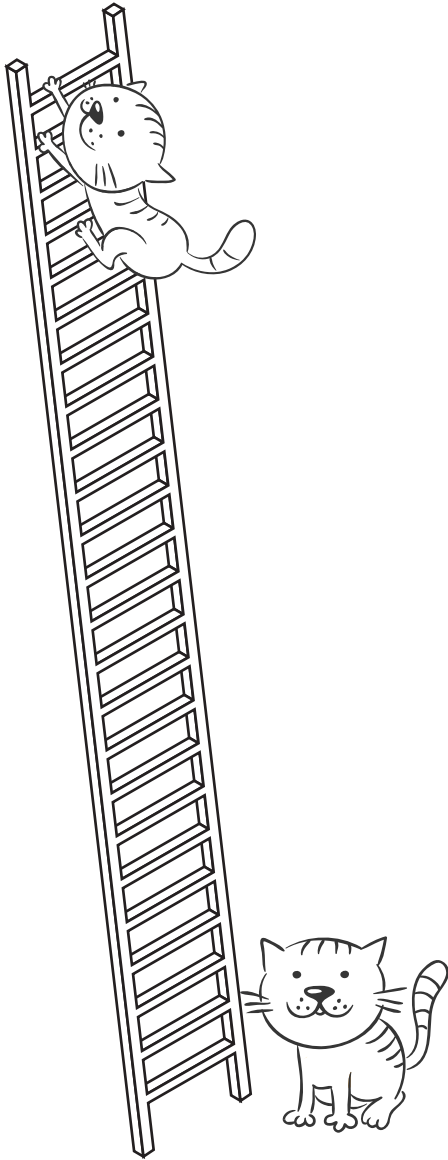

GRAPHISME

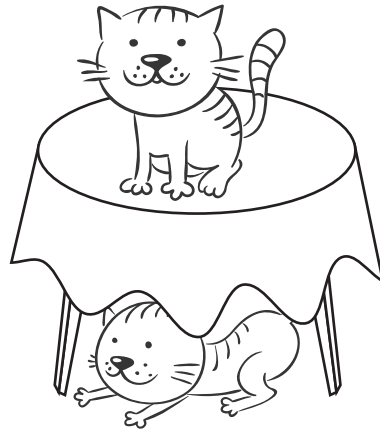

Tracer une ligne courbe

Repasse sur la ligne pointillée pour tracer le chemin.

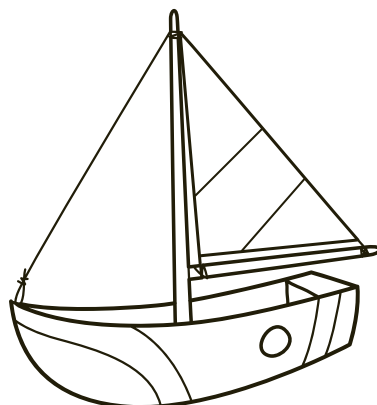

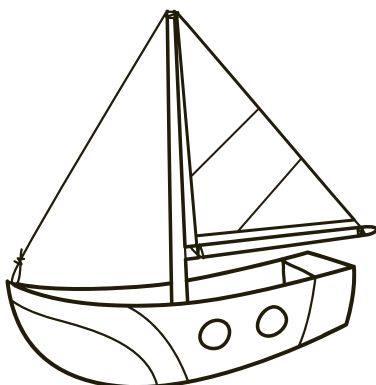

Colorie en **marron** le chat qui est **en haut** de l'échelle,
 en **orange**, celui qui est **en bas**,
 en **noir**, le chat qui est **sur** la table
 et en **jaune** celui qui est **sous** la table.

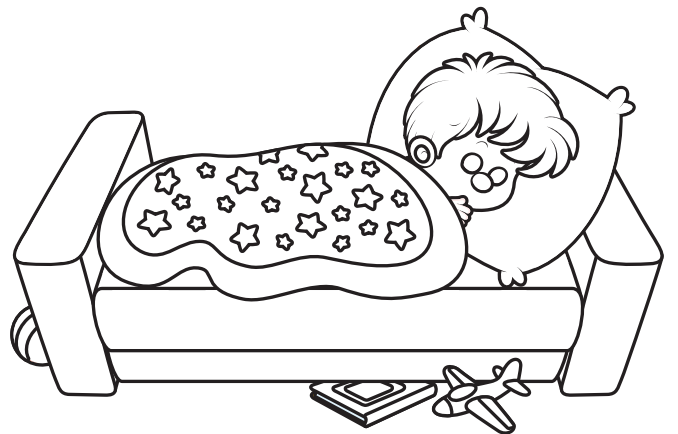

PRÉPARATION À LA LECTURE

Repérer les différences

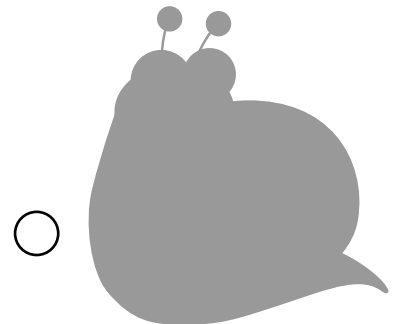

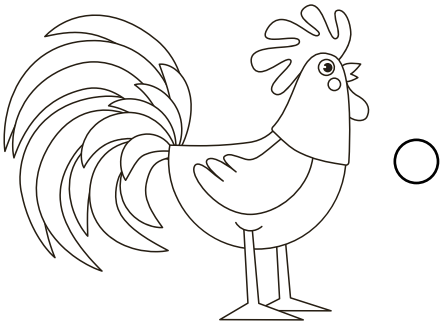

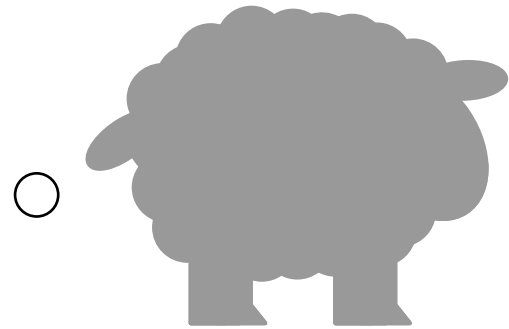

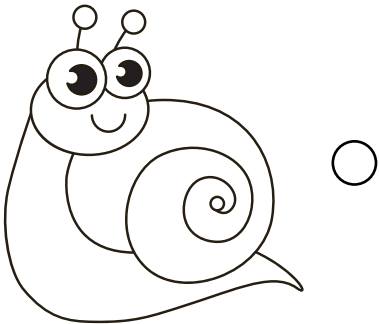

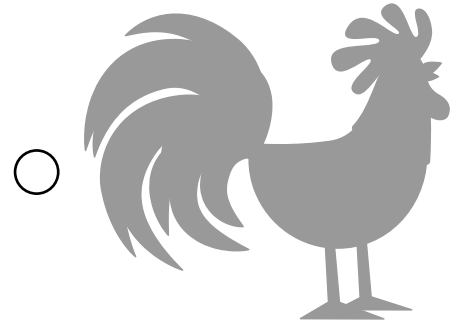

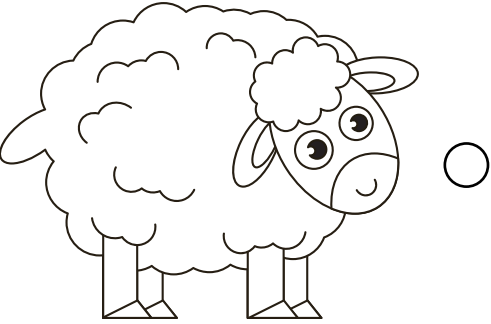

Trouve 3 différences entre les deux images et entoure-les.

Indique ce que tu fais le jour en coloriant le soleil et ce que tu fais la nuit en coloriant la lune.

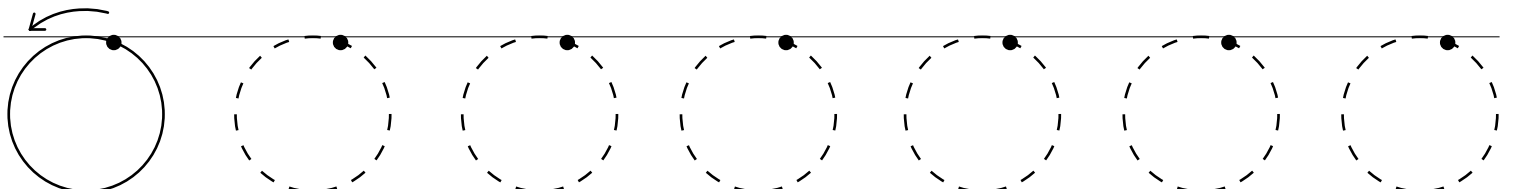

Relie chaque animal à son ombre.

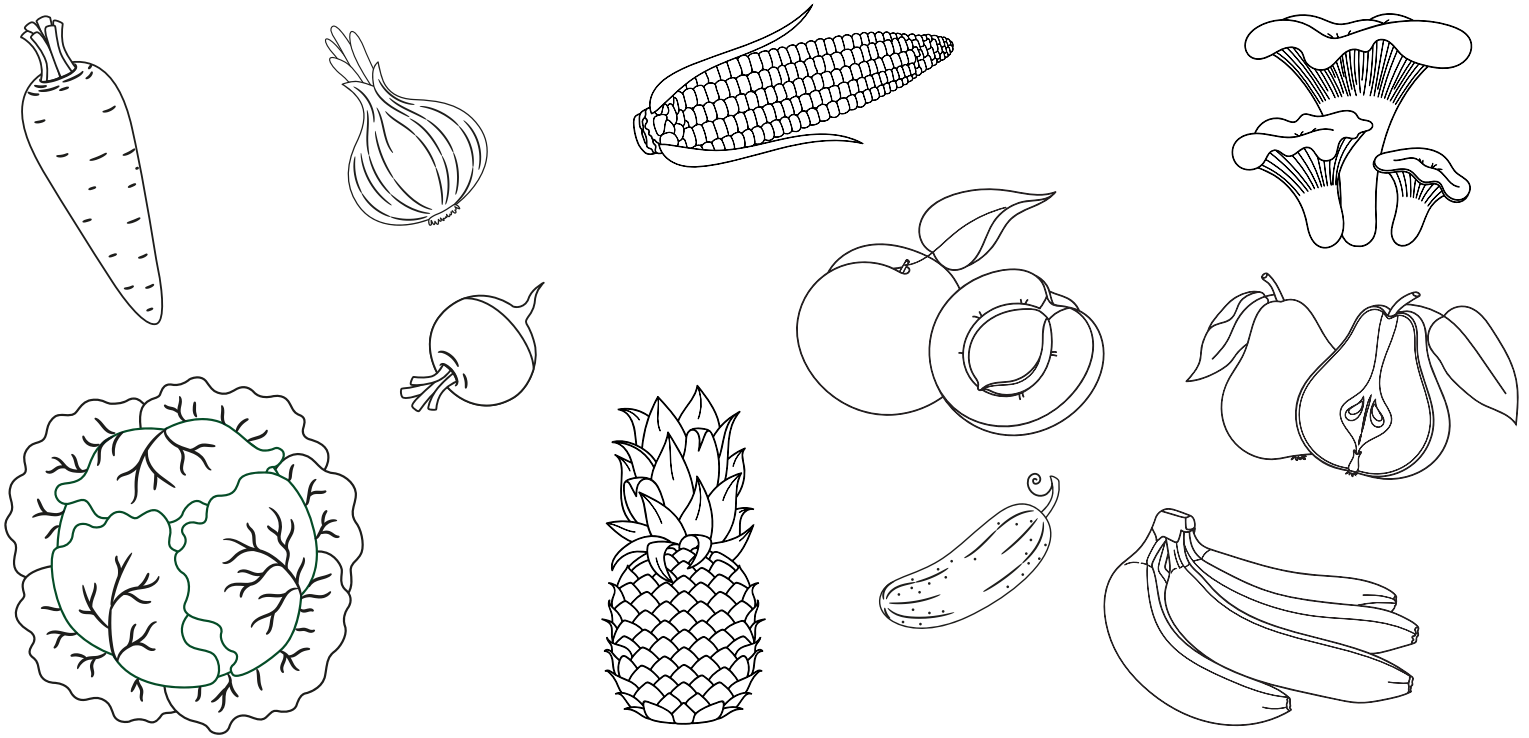

GRAPHISME

Tracer des ronds

Repasse sur les pointillés des ronds en commençant sur le point noir et en dirigeant ton crayon vers la gauche.

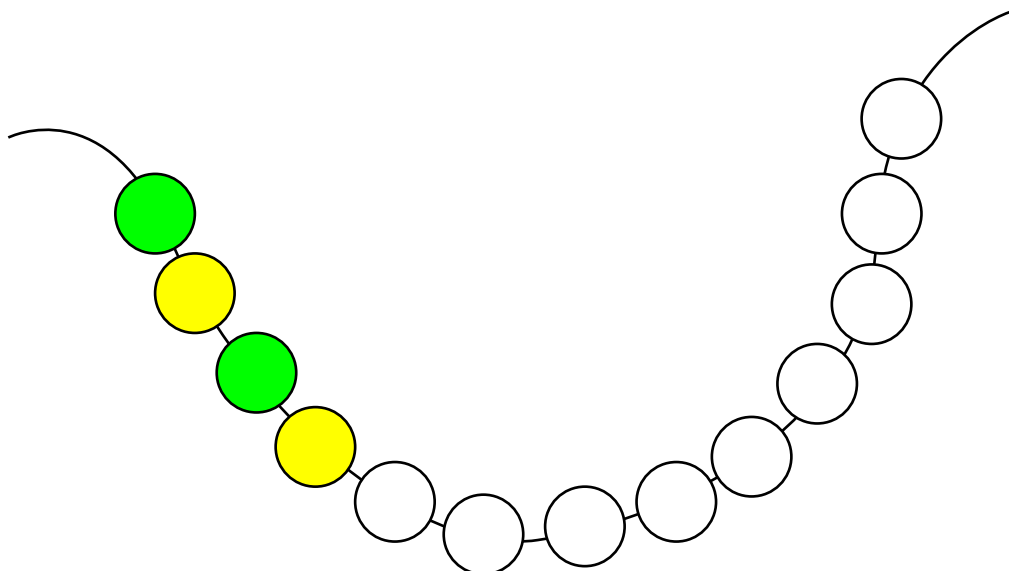

Nomme les fruits et les légumes que tu vois. Colorie tous les fruits.

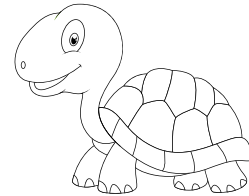

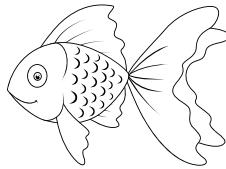

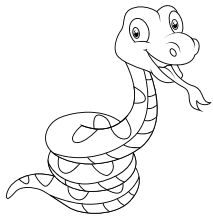

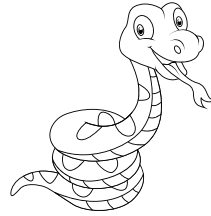

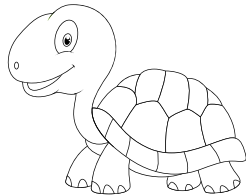

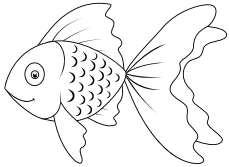

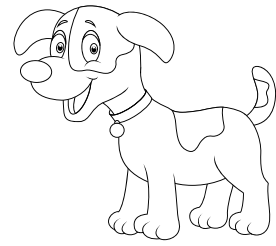

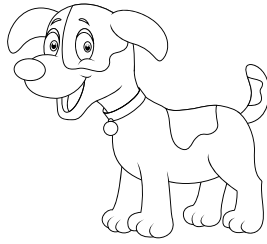

INITIATION AUX MATHÉMATIQUES

Suivre un rythme

Colorie les perles du collier en suivant l'ordre des couleurs.

Relie les animaux qui sont identiques.

DÉCOUVERTE

Lieu d'habitation des animaux

Relie chaque animal au lieu où il habite.
