Entoure le groupe où il y a MOINS d'animaux.

Colle **AUTANT** de poules dans chaque poulailler.

Découpe les pièces après les avoir coloriées,
reconstitue le tracteur comme sur le modèle et puis
crée un décor (crayons, marqueurs, peinture) dans
lequel tu vas coller ton tracteur

Création d'une fiche scientifique (avec l'aide de papa ou maman)

Choisis l'animal de la ferme que tu préfères.

Trouves des images qui le représente ainsi que ce qu'il mange, son utilité, comment il se déplace, son cri, sa famille, etc...

Ensuite, essaie de le représenter (dessin, modelage, peinture, etc...)

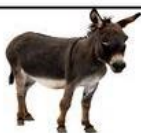

Voici un exemple :

L'âne

Il vit dans l'écurie

L'âne

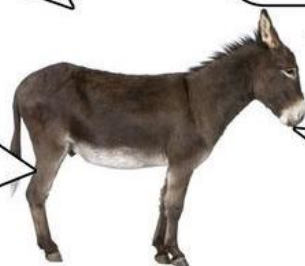

L'ânesse

L'ânon

L'âne est herbivore

Il se déplace

Il marche, il trotte, il galope

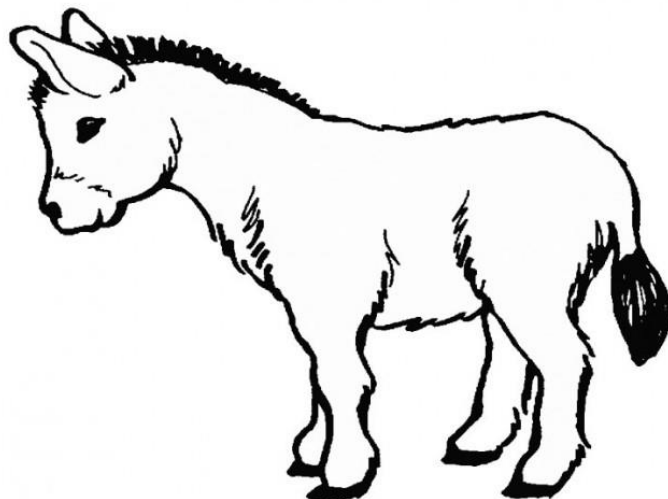

L'ânesse est un mammifère. Elle allaite son petit.

Il nous donne

Représentation d'un mouton

Représente le corps d'un mouton avec des impressions au rouleau de papier wc et de la peinture blanche. Découpe et colle la tête et les pattes. Représente un décor.

Voici un modèle :

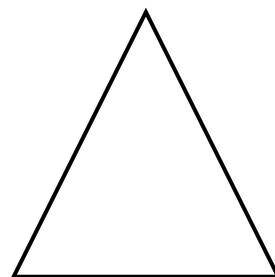

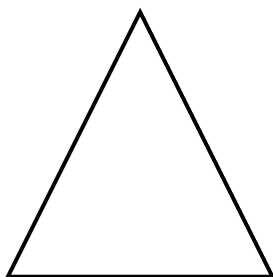

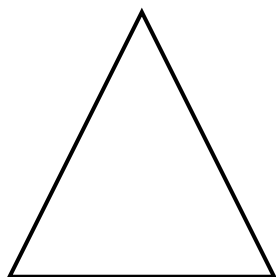

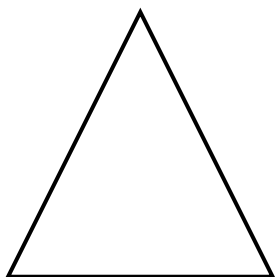

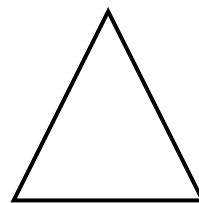

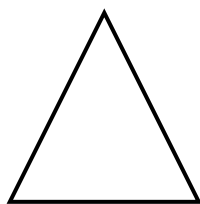

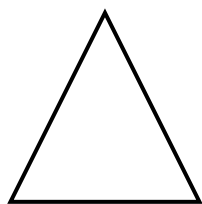

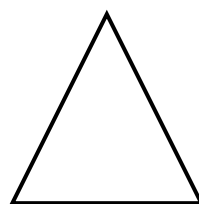

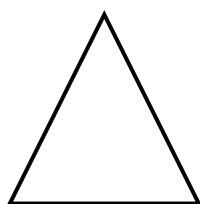

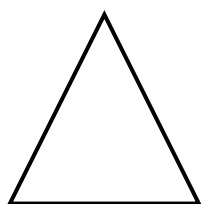

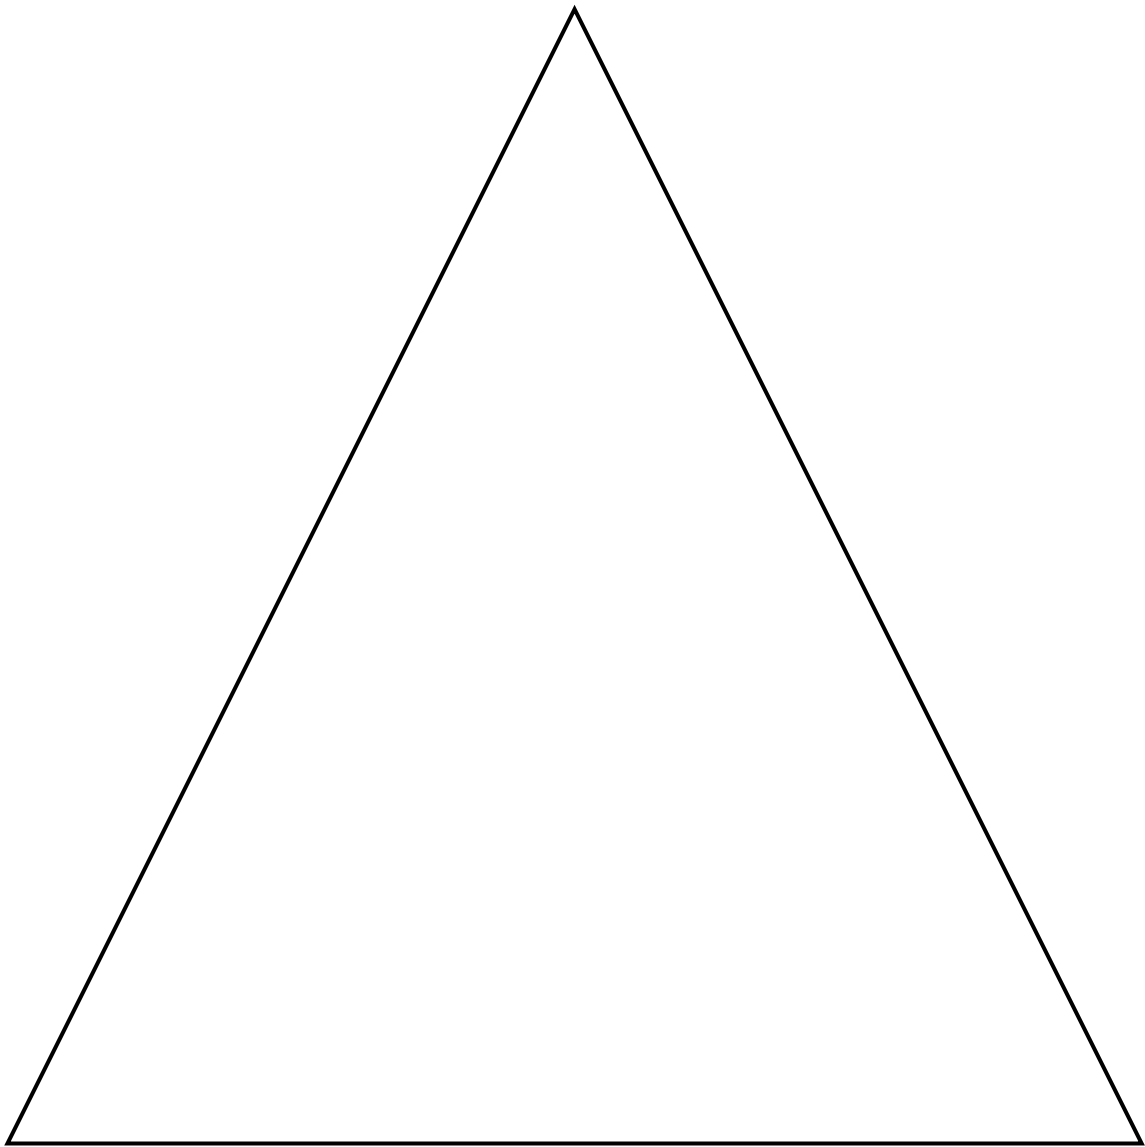

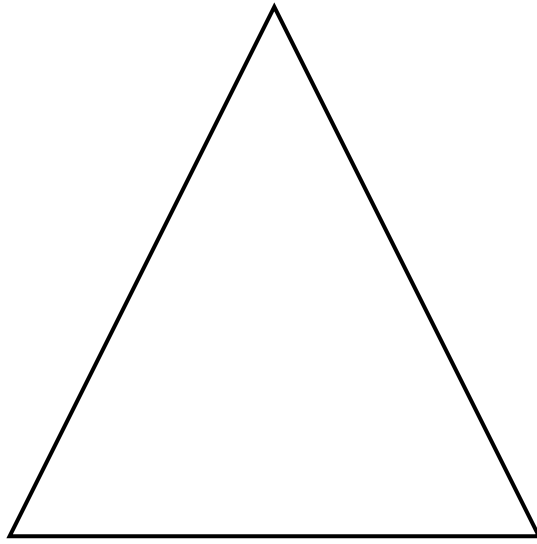

Représentation d'une vache

Découpe les triangles et colle-les comme sur le modèle pour représenter la vache. Colorie ses taches, ses cornes et son pie. Dessine ses pattes, son museau, ses yeux.

Représente un cochon

Contourne 2 formes rondes, une grande (bol, petite assiette, etc...) et une plus petite (verre, emporte-pièce, etc...)

Colorie-les ou peins-les en rose (clair et foncé)

Découpe-les et colle-les comme sur le modèle

Dessine, colorie et découpe le museau, les pattes, la queue et colle le tout comme sur le modèle.

Dessine les yeux.

La cage du lapin

Découpe des bandelettes et colle-les sur le lapin afin de représenter le grillage de la cage. Colle les premières sur les lignes représentées, fais attention de bien mesurer.

Tu peux colorier ou peindre le pain avant de commencer
